

215

It was revealed today
An unmarked mass grave, of
215 children, at
The Kamloops Residential School
Run by catholic priests
This happened many years ago
Hiding the evidence, perhaps?
As nazis did in the past?
A discovery most horrid
Sent shock waves across the world
Their precious bodies, may
Have been put into the ground, but
Their souls became Angels, and
Had a place with the Creator, for ever more!
Not so, perpetrators, for they failed GOD's Words:
"Suffer not the children, harm not a hair,
On their heads."
Their fate will not be good, as they had hoped.
Nothing short of an investigation from the
Human rights commission, from the United Nations,
Will suffice, for this was a crime against humanity!
The truth, for once, must be revealed, concerning
The Canadian Holocaust.
The guilty parties must stand trial, as
They did in Nuremburg, Germany, 1946.
The smell of sweetgrass across, and
The beating of thousands of drums, can be
Sensed, across "Turtle Island"
Ancestors, Elders, Angels, can be found, and so
The precious souls of the 215.
Survivors and authentic allies pray, and
Continue the good fight, to ensure,
A genocide like this happens no more!
Today, moving forward, we continue
Loving our children, hugging them,
As we would the 215, in our minds...
We cry for them and are reminded why, we
Continue advocating for justice, everyday!
Guided by Elders, survivors and Academic Warriors,
They ensure the loss of lives were not in vain.
The struggle has shifted on this day, to
Another higher spiritual level, and
Will continue to ripple across the land
Knowing full well, what the Ancestors had foretold:
Our culture/languages will keep us strong!
