

LIFE as Medicine is offering Healing Opportunities to Sixties Scoop Survivors, descendants and family members (includes those considered family as supports)

Please join us on Monday, **December 2 from 6:30-8:30 at the Halifax Central Library Room 301** for a reading by Sixties Scoop Survivor -- **Andrea Currie** from her new book **Finding Otipemisiwak: The People Who Own Themselves.**

We will provide materials and ideas of how to art alongside to create responses to Andrea's powerful story and begin our own Healing Narratives of Hope and Resiliency.

You can register for follow up individual and group meetings. There is limited space, please consider registering in advance if you are able.

**Email Kathy at [kathy@lifeasmedicine.ca](mailto:kathy@lifeasmedicine.ca) or call/text 902 324 2884** Refreshments will be provided.
